ثَوَابًا مِنْ ثُبْتُ الْآنَ

H1. If a vowelised waw or ya is preceded by a fatHa in a word, it will change to an alef.

H2. In the passive perfect conjugation, the kasra from the middle radical will transfer to the first radical

H3. If a now vowelised ya is preceded by a damma, it will receive a kasra (occasionally, the ya will become a waw instead.

H4. If a now vowelised waw is preceded by a kasra, the waw will become a ya.

H5. If a vowelised ya or waw is preceded by a non-vowelised letter in the same word, its vowel will transfer to that preceding letter. In the case where the transferred vowel is a fatha, the waw or ya will become an alif in addition.

H6. In the active participle, of the middle radical is waw, or ya it will become a hamza.
